# Introducing the Sun Life Dental Network<sup>SM</sup>

## A new dental Preferred Provider Organization (PPO) for your dental plan

### New dental preferred provider network (PPO)

The dental plan made available through your employer now uses a new PPO provider network, the Sun Life Dental Network<sup>SM</sup>. Like the network previously used, plan dentists agree to offer discounted rates to employees on our plan. You are not required to see a dentist in the network. However, when you visit a provider in the network, you could see lower out of pocket costs because the in-network providers have agreed to discounted fees.

The Sun Life Dental Network<sup>SM</sup> is one of the largest dental PPO networks in the U.S., including over 125,000 unique dentists across the country, and in your neighborhood<sup>1</sup>. If your dentist was in the Assurant<sup>®</sup> Dental Network, they will most likely be in the Sun Life Dental Network<sup>SM</sup>. If your dentist does not currently participate in our network, you can nominate them. We will reach out and invite them to join.

### What you need to know

Your dentist office will want to know that you are now using the Sun Life Dental Network<sup>SM</sup> so they can submit your claim accurately.
